

GYMNASTICS SCHEDULE NORTH COUNTY 2017

submitted June 26, 2016 Revision one

I know some of you are interested in meets with East County - please contact the respective schools to try and set that up. At this point I think it is only West Hills and/or Santana that are interested, but I could be wrong. In addition I did not put OLP and/or Ind together, throughout the season, or they would constantly be going against each other. That doesn't make any sense to me. Hopefully things will equal out through the season.

Season Begins: February 18

Midpoint of Season April 1

Minimum 6 meets for League Competition 7 for CIF Competition with competition at League required.
